Thanks, Courtney! Andy and the water folks will probably be a better help than I will if we're talking water allocation, but do keep me in the loop just in case. Logan, happy to help as best we can.

Hi Andy and Sam,

By copy above, I'd like to introduce you to Paul Logan, counsel to the EPA. Paul is working on a matter involving permitting of a uranium mine in the Great Plains Region and has some questions related to treaty water rights and what, if anything, has been adjudicated. I reached out to Stephen Simpson, and he suggested that either of you may be good points of contact for Paul.

I appreciate any help you can offer Paul.

Cheers,  
Courtney
